***from roots to ridiculous...*** is a new work by five15 gallery artist **Cecilia Sandoval**.

Sandoval says about the inspiration for the new work: "When I was young my brothers and I played a game with my father where we'd pass around a sheet of paper, make a scribble, either make a drawing out of it or add a scribble and pass it to the next person. It was a fun game and it allowed for the imagination to run wild. With this body of work, I have attempted to recreate this process to find unplanned imagery."

***from roots to ridiculous...*** opens at five15 Arts (Address: 515 E. Roosevelt, Phoenix 85004) on February 5th, 2010 beginning at 5pm. The artist reception will be on Friday, February 19<sup>th</sup> beginning at 5pm. The show will run February 5th-27<sup>th</sup>.
